Bella likes to run and run long. Bella is co-owned nearby and Ron gets to train her but she only gets about a third of the training the other girls get. Even so, Bella comes out to train as if she last trained yesterday and builds on that last training session without any loss of continuity. Bella achieved her Master Hunter title while also being run by Wayne from Team Turbo North, running her to help him develop his skills as a new handler. Bella is a little bigger than the other Turbo girls coming in about 57# with a lighter flat coat. Bella has a CD and CCA to obtain a VC title. Bella will be running qualifiers hoping to get her ** title and VCX, but the ultimate goal will be all age qualified. Until Bella comes into season this summer, she will be training for completion in the open obedience ring.

Bart was a dark gold with dark eyes and dark pigment. Bart was very watery, stylish, athletic and intelligent. He ran and trained with great enthusiasm and was a team player. He was a strong marking dog and could do the big punch birds on both land and water. He has a great temperament and a marvelous and endearing personality. Bart is the only golden to sire champion offspring four categories: Field, Obedience, Agility and Tracking and is 11th on the all time list of producers of major titles for all golden sires including show dogs and second all time for field dogs. Bart received the Dick Sampson Memorial, the Gilnockie Challenge Cup and the Torch Flinn-Tigathoe Memorial Trophy from GRCA.
